

CIRCULAR

WSJC/ parent Circular No. 2/PO/2024-25

Date- 19/04/2024

Dear Parents/Guardians,

We wish to emphasize the importance of the following key aspects for our students.

- 1. Proper Uniform:** We kindly remind you of the necessity for your child to wear the correct neat and clean school uniform. Adhering to the prescribed uniform guidelines ensures a sense of unity and discipline among our students. Please ensure your child is dressed appropriately according to the school uniform policy.
- 2. Timely Arrival:** School starts promptly at 7:30 am each day. It is crucial for students to arrive on time to benefit fully from the learning opportunities provided. Punctuality sets a positive tone for the day and ensures students can participate in important activities such as the morning assembly.
- 3. School Bag Weight:** Please ensure that your child carries only the essential books and materials needed for their daily classes. Our school is equipped with classroom Almirahs where students can securely store their books and notebooks. We encourage students to utilize these facilities by keeping their books and notebooks in the Almirahs when not in use. This eliminates the need for students to carry heavy textbooks back and forth every day, further reducing the strain on their shoulders and backs.
- 4. RO Water Facility:** We are pleased to inform you that WSJC provides excellent RO water facilities for our students. Therefore students are suggested to carry empty for water bottles to school as they can conveniently refill their bottles from our RO water dispensers. This ensures that our students stay hydrated throughout the day without the added weight of carrying water bottles.

Your cooperation in these matters is greatly appreciated. Consistent adherence to the school policy will contribute to a conducive learning environment for all students.

Thank you for your attention to this important matter.

Warm Regard
