Subject: Ensuring Regular Attendance for Academic Success

Dear Parents,

This is to bring to your attention that your child's attendance and academic performance require immediate improvement.

Attendance Requirement:

- As per school and examination board guidelines, 75% attendance is mandatory to be eligible to appear in the board examinations.
- Students failing to meet this requirement will not be allowed to take the exams.

We urge you to take this matter seriously and ensure that your child attends school regularly and stays focused on their studies. Your cooperation is essential to help them achieve their academic potential.

Warm Regards

Wendy School Junior College
