Subject: Attention Required for Your Child's Academic Performance

Dear Parents,

This is to bring to your attention that your child's attendance and academic performance require immediate improvement.

Impact on Results:

If your child does not attend school regularly, it will hinder our ability to monitor their progress and evaluate their academic performance effectively.

We urge you to take this matter seriously and ensure that your child attends school regularly and stays focused on their studies. Your cooperation is essential to help them achieve their academic potential.

Warm Regards

Wendy School Junior College
